Hopscotch Hove Station

# Nurturing happy and independent children

Our nursery is set in a homely converted house in central Hove just a short walk from Hove train station. We have a large private garden which is well-resourced with exciting games and equipment. We also have an amazing soft-play area with a ball pool and slide located in our toddler room.

Having opened in 2016, Hopscotch Hove Station was awarded its second consecutive Outstanding grade in May 2022. We are very proud!

# Funding

We understand funding for childcare can be complicated! We want to help make things as simple as possible and support our families every step of the way. We have a wealth of knowledge about funding and will try to answer any questions you have.

## Eligibility

Universal funding is available from the term after your child's 3rd birthday - we suggest you visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) for more information and to understand more about the eligibility criteria.

The standard 15 or 30 hours funding is usually spread over 38 weeks of the year.

We stretch our funding to apply up to 12 or 24 hours funding over 47 weeks of the year.

This means it is applied more consistently over the course of the year.

## Applying for Funding

To apply funding to your invoices, we need you to complete and sign a Parent Declaration Form. This will be submitted to the relevant Local Authority by us on your behalf.

This will be emailed to you by Hopscotch Head Office via Funding Loop.

Some families might also be entitled to funding for 2 year old children.

Please speak to your nursery manager if you think this is the case and they will be able to advise on how to proceed.
