# Funding

and answer any questions you have. The government's hourly funding only covers basic nursery care and doesn't meet the full cost of providing quality childcare, activities, and resources at Hopscotch.

For funded sessions, we charge a small enrichment fee. This is optional but helps us give your child the full Hopscotch experience and covers items like breakfast, morning and afternoon snacks, sun cream, nappies, creams and wipes, and extra programs like enhanced speech & language, tooth brushing, visitors like authors/artists, themed event and Hopscotch Explorer trips.

# Eligibility

**Working Family Funding** From September 2025 - Up to 30 hrs funded childcare for children 9mths+.

**Universal Funding 3yr olds only** - If not eligible for Working Family Funding you can claim up to 15 hour funded childcare for all 3yr olds from the term after their 3rd birthday.

Please visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) for more information on how to apply and more about the eligibility criteria.

The standard 15 or 30 hours funding is only applied to 38 weeks of the year.

From September 2025 we will be stretching the funding over 51 weeks up to a maximum of 11 or 22 hours per week depending on eligibility.

This means funding is applied more consistently across the year.

We are only allowed to apply up to a maximum of 10 funded hrs per day.

# Applying for Funding

- Apply for a working parents code via [Childcarechoices.gov.uk](https://Childcarechoices.gov.uk)
- Send us the 11 digit code and your national insurance number.
- Complete the mandatory Parent Declaration Form - we will send this to you via Funding Loop prior to the start of the term.

Some families may be entitled to funding for 2 year old children due to low income or for reasons such as adoption.

Please speak to your nursery manager if you think you may be eligible and they can advise on how to proceed via your local council.

# Funded Hours & Enrichment Fee

Funded hours can be accessed up 11 or 22 hours over 51 weeks

Hours attended over and above the funded hours are not mandatory but when booked are charged at the hourly rate for that day/session.

Optional Weekly Enrichment Fee = £33.00 if attending 22 funded hours  
(£1.50 per funded hr if attending less than 22 funded hours)

3 day booking Example = 9.5hrs x 3 days = 33hrs  
22 funded hrs = £0.00 + Enrichment fee = £33.00 11 non-funded hrs x £6.82 per hr = £75.02  
Total weekly fee = £108.02

11 funded hrs = £0.00 + Enrichment fee = £16.50 11 non-funded hrs x £6.82 per hr = £75.02  
Total weekly fee = £91.52
