# Testimonials

My daughter absolutely loved Hopscotch Holiday Club on Holland Road– She had a great time! She enjoyed the variety of creative activities on offer and felt really happy and at ease. She came home full of smiles every day and is already looking forward to going back!

- Corrina, May 2025

My 5 year old daughter loved the Hopscotch holiday club so much that she wanted to go back the next day and that doesn't usually happen! She had so much fun planting tomato seeds, making loom band bracelets and getting involved with the parachute games. I'm so pleased to have found a holiday club she's happy to go to!

- Rachel, May 2025

My daughter loved the fun activities and welcoming staff at the holiday club at WHI at Holland road. She came out smiling ear to ear and asking to go again the following day!

# Testimonials

Our daughter loved going to the Hopscotch holiday club. She was kept entertained throughout the whole day with a wide range of different activities.

Amongst her favourites were the parachute games, being creative with the paints, making bracelets and necklaces as well as taking part in fun dancing games such as musical statues.

There were always plenty of staff members around and they struck the perfect balance between leading activities to taking a step back and encouraging independent play.

The main selling point for me as a parent was knowing my child was in a safe contained environment, supported by staff who are kind, nurturing and extremely experienced.

We have a lot of Trust in the Hopscotch brand having previously sent both our children to their outstanding nursery and this new venture of theirs certainly keeps standards flying high.

The very reasonable cost of the holiday club is a definite plus as well and we have no hesitation in wholeheartedly recommending or using the Holiday club again.
